Dear Westford residents,

I hope this month finds you healthy and in good spirits, and I personally want to thank each and every one of you for practicing social distancing in an attempt to stop the spread of COVID-19. I would also like to thank everyone who has donated supplies to our Public Safety Departments. Your support is incredibly significant in helping our first responders remain safe while protecting our community during this coronavirus pandemic.

As the coronavirus situation has evolved since mid-March, our Select Board has been meeting virtually each week to discuss and vote on COVID-19 legislation, and provide information to our community about town operations during this period. To recap, some of the actions the board has taken include:

- Delayed real estate and personal property tax collection from May 1st to June 1, 2020.
- Waived interest and penalties for tax bills due after March 10, 2020 until June 30, 2020.
- Extended the filing deadline for Exemptions and Deferrals from April 1, 2020 to no later than June 1, 2020.
- Approved an Emergency Paid Sick Leave Policy and an Emergency Family and Medical Leave Policy.
- Banned sports teams and congregations of people on town fields, parks, and playgrounds until May 4, 2020.
- Delayed the opening of the Westford Community Gardens until late May. Registration for the upcoming summer season is still open and applications are available at the following link: [Westford Community Gardens 2020 Application](#).
- Rescheduled our Annual Town Meeting to June 20, 2020. All documents are available at this link for those who would like to review: [2020 Annual Town Meeting](#).
- Rescheduled our Annual Town Election to June 30, 2020. You may view who is running for what positions at this link: [Open Positions and Candidates](#).
- Waived the current late fee by extending the deadline for dog licensing to July 1, 2020.

For important information on COVID-19, including resident services, the latest town department information, CDC guidance, testing sites in Massachusetts, daily updates, and more, please visit our town's website at westfordma.gov/COVID-19.

On April 7, a joint meeting was held of the Select Board, School Committee, and Finance Committee for a Fiscal Year 2020 and 2021 financial update related to the COVID-19 situation's impact on our town. Finance Director Dan O'Donnell and Director of School Finance Ingrid Nilsson presented information and they will continue to update the financials each week. Town staff are tracking expenses related to COVID-19 in preparation to apply for FEMA/MEMA reimbursements.

At the last board meeting, the Select Board discussed impacts to town departments if the Annual Town Meeting is not held by June 30, 2020 because of the COVID-19 situation. Select Board member Kost suggested the Capital Planning Committee meet to review capital and make recommendations to the Select Board and Finance Committee. I also plan to return to the board with funding options for critical needs and a recommended timeline for decisions to be made.

At that same meeting, the board voted unanimously to approve the Town Manager's Office to participate in an upcoming bid solicitation process to secure a new electric aggregation contract that will include renewable energy offerings. When the new program begins in January 2021, it will provide residents and businesses with electric from additional renewable energy sources, beyond the state minimum, as well as provide multiple options for residents and businesses to individually customize the amount of renewable energy in their electric supply.

Westford has had a municipal electric aggregation program in place since 2016, as a result of a Town Meeting vote, which occurred in 2015. Under the town's electric aggregation program, residents and businesses are automatically enrolled in a competitively sourced electric contract to achieve price savings and stability. Residents reserve the right to opt out of the town's program and purchase their electric supply directly from National Grid or any other competitive supplier.

Following a recommendation by the Energy Committee and based on market intelligence from Good Energy, the town's consultant, the Select Board approved a program structure in which the default rate for the entire town will automatically include an additional 10% New England-based renewable energy. Residents and businesses will have the option to "opt down" to purchase their electricity with only the state-mandated amount of renewable energy (currently 16%), which is the cheapest available rate. The new contract will also provide residents and businesses with options to "opt up" to purchase their electric supply with an additional 50% or 100% renewable energy.

The environmental benefit of the approved program structure is expected to be significant. For example, the program is projected to reduce carbon dioxide emissions by over 1,800 tons per year, which is equivalent to the climate impact of approximately 360 cars. The design of the program will also support local clean energy sources, further supporting our economy, on top of the benefit of expected cost savings from the aggregation.

For information on the town's current electric aggregation program, you may visit our website here: [Westford Electric Aggregation Program](#). Additional information is available at the Massachusetts Community Electricity Aggregation website, which you may visit at the following link: [MA Community Electric Aggregation Program](#). Once the town finalizes the details of the new contract, which will begin in January 2021, we will update the town's website.

At the board's meeting on March 24, they received an update from Select Board member Tom Clay on WestfordCAT board actions. They also discussed options available regarding the town's Memorandum of Understanding (MOU) with WestfordCAT. That night, the board voted to proceed with an intention to terminate the MOU, and to direct that no changes be made to WCAT staffing and/or expenses during the 30-day appeal period. Since that meeting, Select Board member Clay has provided the board with updates relative to the actions of the organization's Board of Directors. On April 16, the WestfordCAT Annual Board Meeting will be held virtually with online voting to nominate new board members. To watch the meeting or to find out more information on applying for a board position, you may visit the WestfordCAT website by [clicking here](#).

I am happy to welcome our newest town employee, Public Safety Dispatcher Michael Rinn!

April at the J.V. Fletcher Library

Our programs are generously funded by the Friends of the J.V. Fletcher Library, Inc.

A Message from the Director:

Dear Westford Friends:

We all hope you are staying safe and well as we move together through this challenging time. Your library staff misses you too! But please know we are still here for you — offering free downloadable collections, homework help in our databases, home schooling support, enrichment, information and entertainment. As our collections, Book Clubs, programs and services move from physical to virtual, you can reach us for help at westfordlibrary@westfordma.gov. We have shifted our funding, staffing, resources and focus to supporting you in this new reality.

**Still serving you,
Ellen Rainville, Library Director**

During this time, we hope you will explore our large number of [databases](#) and [digital collections](#) that include e-books, audiobooks, movies magazines, television series, the Great Courses, comics, and music. These collections provide content for all audiences and age groups. If you need your Library card number or a new card, send us an email at westfordlibrary@westfordma.gov. There is a [“Downloadable Collections, Homework, and Homeschooling Resources Available From Home”](#) web page that is continuously being updated.

We ask that you continue to hold on to your items. Due dates have been extended until May 15.

Please continue to check our [website](#) for updates. The staff is posting daily about online services, social distancing resources, and some fun items for stress relief.

Expanding Digital Collections: To meet the current needs of our patrons, additional funds have been converted to expand Overdrive and hoopla collections. You will see additional titles added to the Overdrive ebook and audiobook collection and we will be able to continue to support patrons downloading up to ten items per month from hoopla's collections (audiobooks, comics, ebooks, movies, music, and television).

Spotlight on Hoopla! Have you tried our newest service, [Hoopla](#)? Hoopla has no waiting lists. Every item in their collections are available for immediate download! Choose from movies, TV series, e-books, audiobooks, music, and comics. There are collections for all age groups, including [“read alongs”](#) for kids and [home schooling resources](#). Need to get in a workout at home? Check out the [health and fitness videos](#) available for download. Typically, you may check out up to 10 items per month. Due to these challenging times, Hoopla has added over 1,000 titles to “Bonus Borrows.” “Bonus Borrows” do not count towards your 10 items per month. Go to [Categories](#) to find listings of “Bonus Borrows” as well as numerous linked lists in all kinds of subject areas. There is a “Categories” link from each format collection.

Virtual Storytimes and Harry Potter! The Youth Services Department has created a private Facebook page where we will post story time videos and a special Harry Potter read aloud. We made this page private to honor the copyrights of the authors and publishers of the works we use. All videos will be removed after the time periods allotted by the copyright owners.

Please feel free to tell your friends about us! On Facebook – search for J. V. Fletcher Library Youth Services Department - and send us a request to become a member. We hope you find something fun and entertaining for your children here. The Youth Service staff miss you and your children VERY MUCH!

April at the J.V. Fletcher Library

COVID-19 Digital Archive: The Library is collecting a digital archive of community members' experiences of the COVID-19 Pandemic in real time. There are multiple ways you can participate and submit your experiences to this archive. Record and submit a daily digital journal, or submit photos, or both! A staff member will review your submissions and get back to you. Please be aware that all submitted journals and photos will be assumed submissions to the archive. To learn more, go to <https://westfordlibrary.org/research/covid-19-digital-archive/>

Virtual Book Club Meetings: The Adult Book Discussion Club will be meeting via Zoom on Thursday, April 16 at 7:30 p.m. to discuss [Clara and Mr. Tiffany by Susan Vreeland](#). If you are interested in participating or would like more information, please contact [Kristina Leedberg](#).

The Monday Mystery Book Club will be meeting via Zoom on Monday, April 27 to discuss [The Dry by Jane Harper](#). If you are interested in participating or you would like more information, please contact [Sarah Regan](#).

Record Breaking Circulation: At the direction of town and state officials, the Library closed to the public at 5:00 p.m. on Saturday, March 14. On that day, our staff checked out over 5,000 items. That is typically what we average for check outs over the course of four days during an average week. Thank you for your support and for showing how much you value the library. We hope you are enjoying your items and that you will explore our digital collections.

[New! Staff Recommends](#) – Need suggestions for your next great read? Check out these selections from our staff! Our list includes titles that are available to download on [Overdrive](#) and [Hoopla](#). Still don't see anything that catches your interest? [Email us](#) and we will give you a personalized title recommendation.

Town Clerk's Corner

The Town Clerk's Office is endeavoring to continue to serve residents with everything they have come to expect. During this time that the Town Hall is closed to the public, many things can be done through the mail or online at <https://www.westfordma.gov/255/Town-Clerk> to order vital records, dog licenses* and obtain any information pertaining to town meeting and elections. Please call us at 978-692-5515 with any questions. We will help the best we can.

Annual Town Meeting: Postponed until Saturday, June 20, 2020

Annual Town Election: Tuesday, June 30, 2020

We are not providing notary service during this time of closure.

The appliance pickup scheduled every month is still happening. This month's pick-up date is April 18th. Call to get added to the list and for special instructions.

Marriage intentions – Please call to make arrangements.

*The Selectmen have waived the late fee for dog licensing until July 1st.

Social Services:

LIHEAP Update:

HUD has extended the application deadline for federal fuel assistance to May 29, 2020 due to the Covid-19 crisis. If you are struggling financially and now meet the income guidelines for LIHEAP, consider applying. Please call 978-459-6161 and ask about LIHEAP application processes. If you have a heating emergency, call 978-654-5607. Community Teamwork is providing emergency services and phone/mail assistance with LIHEAP applications.

Food Update:

If you are a senior or in a vulnerable health population, please consider avoiding the grocery stores. Getting help from neighbors, family, friends, or volunteers can protect your health. We are continuing to work with a wonderful group of volunteers through the Cameron Senior Center and the Merrimack Valley Reserve Corps. We have helped about 30 households already and the volunteers remain ready to serve those who are more vulnerable. Call Alison 978-399-2325 or Annette at 978-399-2326.

The Westford Food Pantry continues to distribute pre-packed bags outside Cameron Senior Center on Wed 6-8PM and Fri 9-11AM. If you are experiencing food insecurity as a result of Covid-19, consider using this resource.

If you are a high-risk individual who has used the Westford Food Pantry or are newly in need of Food Pantry assistance and *need a delivery*, call us and we'll find a solution with you.

Consider applying for SNAP if you have lost income and are experiencing food insecurity. Mass.gov has excellent updates on financial assistance programs for Massachusetts residents and the Project Bread Food Source Hotline can also help. Call 800-645-8333 from 8AM-7PM M-F and Saturday 10AM-2PM.

April 14, 2020

Dear Residents,

As many of you may have heard, the [CDC is recommending the use of cloth face coverings](#) in public settings where social distancing may be difficult. This is not a recommendation for the use hospital grade masks when you leave the house though. Please leave those for the first responders and medical professionals! CDC studies are showing that asymptomatic people can spread the virus between people through speaking, coughing or sneezing. A simple face covering may slow the spread and help people who may have the virus and not know it from transmitting it to others. This does not take the place of social distancing though!

At this time, I would recommend that everyone wear a face covering when in a public setting, or where social distancing measures are difficult to maintain. I would encourage people to wear them at work.

There are several ways to make them, and the CDC has recommendations on [how to make your own face covering](#). There are recommendations on how to care for your face covering also. If anyone has questions, or would like more information on this, please feel free to reach out to me.

I would like to say that it appears that the majority of people are working very hard at social distancing, and I know everyone is up to the challenge to finish this fight! Continue to keep calm, continue to take personal responsibility for your actions and continue to keep protecting each other!

Be Well Everyone!

Use of Cloth Face Coverings to Help Slow the Spread of COVID-19

How to Wear Cloth Face Coverings

Cloth face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

CDC on Homemade Cloth Face Coverings

CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission.

CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings fashioned from household items or made at home from common materials at low cost can be used as an additional, voluntary public health measure.

Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cloth face covering without assistance.

The cloth face coverings recommended are not surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

Should cloth face coverings be washed or otherwise cleaned regularly? How regularly?

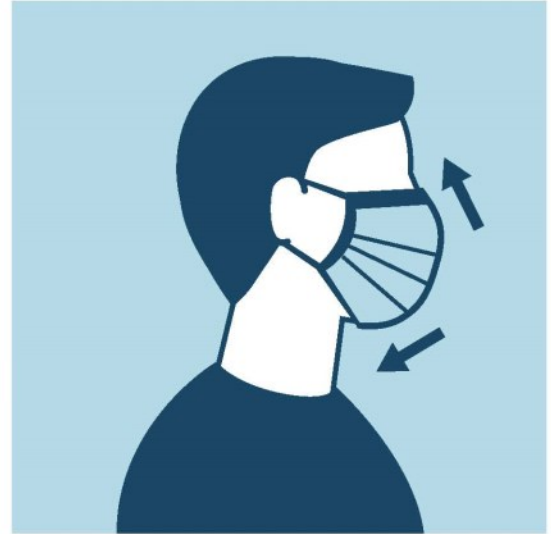

Yes. They should be routinely washed depending on the frequency of use.

How does one safely sterilize/clean a cloth face covering?

A washing machine should suffice in properly washing a cloth face covering.

How does one safely remove a used cloth face covering?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their cloth face covering and wash hands immediately after removing.

Sewn Cloth Face Covering

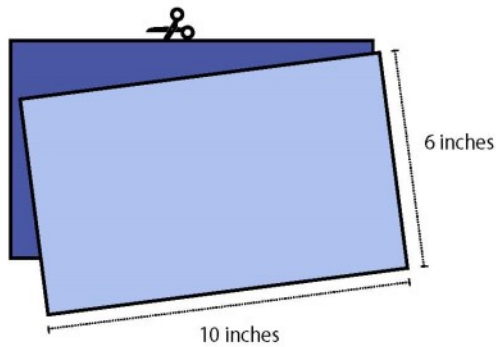

Materials

- Two 10"x6" rectangles of cotton fabric
- Two 6" pieces of elastic (or rubber bands, string, cloth strips, or hair ties)
- Needle and thread (or bobby pin)
- Scissors
- Sewing machine

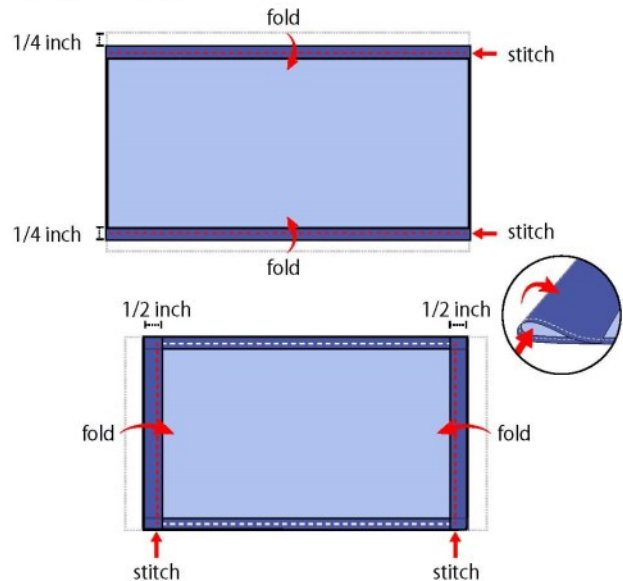

Tutorial

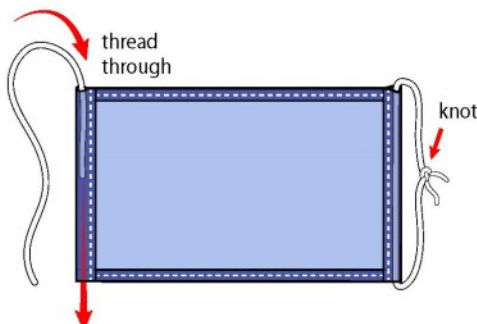

1. Cut out two 10-by-6-inch rectangles of cotton fabric. Use tightly woven cotton, such as quilting fabric or cotton sheets. T-shirt fabric will work in a pinch. Stack the two rectangles; you will sew the cloth face covering as if it was a single piece of fabric.

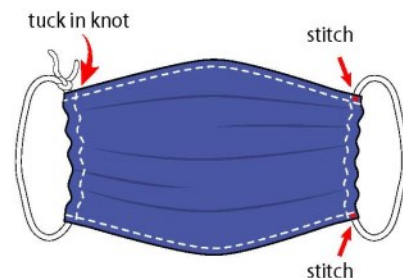

2. Fold over the long sides 1/4 inch and hem. Then fold the double layer of fabric over 1/2 inch along the short sides and stitch down.

3. Run a 6-inch length of 1/8-inch wide elastic through the wider hem on each side of the cloth face covering. These will be the ear loops. Use a large needle or a bobby pin to thread it through. Tie the ends tight. Don't have elastic? Use hair ties or elastic head bands. If you only have string, you can make the ties longer and tie the cloth face covering behind your head.

4. Gently pull on the elastic so that the knots are tucked inside the hem. Gather the sides of the cloth face covering on the elastic and adjust so the mask fits your face. Then securely stitch the elastic in place to keep it from slipping.
